

# Penguin Water All-In-One Chemical Injection System

[penguinwater.com](http://penguinwater.com)

## The all-in-one solution for all your chemical injection needs.

### Econ FP Pump

Perfect for light-duty applications such as drinking water disinfection or pH adjustment for private water wells in homes or small businesses.

### 35 Gallon Chemical Storage Tank

A chemically compatible vessel that will last for years. Its capacity ensures longer times between filling, keeping maintenance to a minimum.

### High-Quality Carlon Meter

Ensures high accuracy and efficient injection of water treatment chemicals. The durable Noryl construction is fit for any environment.
